I am participating in the 2015 A Walk for Water on behalf of Amman Imman: Water Is Life. Since 2006, Amman Imman has been saving and improving the lives of people living in the Azawak Valley of Niger, West Africa, by building permanent water sources. I will be walking 5K at the John F. Kennedy High School in support of children in Niger who walk as many as 30 miles in search of water. Please support my effort by sponsoring me with a suggested minimum donation of \$5/K (\$25.00). Checks should be made payable to Amman Imman. On behalf of the children in the Azawak, I thank you for your support!
